Seller Guide

01 HD Video Tour
This is NOT merely a picture “slideshow” or “virtual tour” used by most agents. I personally film an HD listing tour of EVERY home!

02 Exclusive List of Homebuyers
I use an exclusive list of homebuyers here in the Cincinnati area to help find the perfect buyer for your home.

03 Advanced Re-Marketing
Following strategies by giants like Nike and the Golden State Warriors, I use re-targeting technology to have your home stay in front of engaged prospective buyers.

04 Expert Follow Up
I personally call, text, and email EVERY potential homebuyer in my database to help find the best buyers for your home. I believe that continually staying in touch with my buyer network is the key to help sell listings fast and for the highest price possible.
